Golf is always one of life's greatest joys, but it's been challenging with the worldwide financial crisis. Having said this, members will be excited to see the Golf Division continuing to make very positive progress throughout 2008/2009 and achieving not only budget quotas but also increasing gross operating surplus and holding many charity events as well. These are very positive signs and indication that things are heading in the right direction in terms of finances, and helping the community. Together, I'm certain we can make these offerings even better in the future.

In other matters, our community work took a new sense of depth this year. In October 2008, our Members & Guests Charity Golf Day raised over HK\$680,000 for the very worthwhile School Rebuilding Project in Sichuan, showing we care a lot for the community we live in. In February 2009 Lifeline Express garnered over HK\$250,000 for a mobile eye clinic, another worthy cause. This year also saw us run a charity pro-am golf tournament in April for Haven of Hope Holistic Care Centre, raising more

面 對全球金融危機威脅，即使高爾夫球運動一向被視為人生一大樂趣，不免亦受到考驗。話雖如此，本會高爾夫球部於2008/2009年度仍有積極發展，不僅於完成贖回及重新發行會籍配額方面成績理想，總營運盈餘亦有所增長，並舉辦了不少慈善活動，會員們定必為此感到雀躍。如此成績證明本會財政狀況理想，同時亦令社會受益。可以肯定的是，未來我們定可為大家提供更佳服務。

此外，今年的關注社群計劃亦有更深層意義。2008年10月舉行的「會員及賓客慈善高球日」，共為四川學校重建計劃籌得善款逾六十八萬港元，足證大家熱心公益。在2009年2月期間，我們又為健康快車香港基金籌得逾二十五萬港元，善款用作設立流動眼科診所。四月份又為基督教靈實寧養院舉辦「清水灣慈善高球賽」，共籌得善款逾五十

than HK\$500,000. These are fantastic projects benefitting many people, and things that we can be very proud of, while we are on the golf course.

It's rather satisfying that our Driving Range Renovation Project was completed in March 2009. We now have state-of-the-art teaching facilities and the first indoor/outdoor teaching studio in Hong Kong. In addition, we are proud to have the best launch monitor in the world and we are the first to have 'Trackman' in Hong Kong. Expect more in the future to keep us at the forefront of things, a leader for others to follow.

In addition to these achievements, we also embarked on a Special Spring Green Fee Promotion Package, attracting over 1,350 guests and getting green fee revenues in excess of HK\$1.2 million. At the same time, cart paths at holes 8 and 9 were completed and "Sand Mat" bunker liners were installed. They greatly reduce sand erosion during heavy rainstorms. All in all, we achieved a lot this year, and it's a very solid basis to grow on for the year to come! Let's enjoy it together, and remember, keep on trying your best on the course!

萬港元。大家在高爾夫球場上揮杆的當兒，想到這些精彩活動同時讓不少有需要人士受惠，定當感到十分欣慰。

於2009年3月完成的練習場更新計劃，效果令人滿意。本會現擁有先進的教學設施，以及本港首個室內／室外教學中心。此外，能夠擁有全球最佳擊球監測機和成為本港首個擁有「Trackman」的會所，實在值得自豪。我們期望未來能開創更多先河，領導同業仿效。

除了以上各項佳績，我們另推出了春季果嶺費特別推廣優惠，共吸引了超過1,350位嘉賓參與，成功讓本會錄得果嶺費收入逾一百二十萬港元。球場保養方面，第八及第九洞的車道改善工程已完工。沙坑亦已鋪上沙墊，將可大大減低暴雨對沙粒的侵蝕。總括來說，本會今年達成了不少目標，為來年作好充足準備及打穩基礎。讓我們一起享受美滿成果之餘，亦謹記在球場全力以赴！
