After the last few years of constant growth in the F&B department, the global financial crisis caused a bit of slowdown at the beginning of October 2008, which has proved quite challenging, but certainly not insurmountable! In fact, we finished in a much better financial position than we thought we would as the management team scrutinised expenses and trimmed excess fat resulting in a very acceptable year-end P&L, and left us ready to weather the storm in the coming year.

As a courtesy to our members, we have held back on all food or beverage price increases for more than a year now, and do not see any need for increases in the near future, which will be a delight to our members. In the past year we created another beautification partition to the pool café area, along with a roof of square parasols creating a beautiful sun protection area and adding more enjoyment for our members. Even if the economy is not as vibrant, let's try to be optimistic!

**縱** 使過去數年飲食及餐務部的業務不斷增長，但面對金融危機的威脅，2008年10月初亦不免受到影響而放緩。這絕對是一大挑戰，卻不代表我們無法克服！事實上，經過管理團隊審議開支並且實施節源計劃，我們的財政狀況比預期中更見理想，年終的盈虧報告令人滿意，亦有助我們於來年渡過難關。

為向會員表示謝意，我們已有一年以上維持食品及飲料價格不變，在可見將來亦無加價需要，對會員來說將是值得欣喜的消息。在過去一年裡，我們為池畔餐廳設立了一別緻分區，撐起一系列陽傘遮擋太陽，讓會員更舒適地享受美食。即使整體經濟大不如前，我們仍感到相當樂觀！

One of the best ways of doing this is to come down and enjoy the Club's facilities, all open for your total enjoyment. We hope you will treat the Club as your second home, and come with your friends, families and loved ones. Take advantage of our great services and prices!

In this spirit, we also continue to seek out new food items and promotions. The annual organic oyster promotion was truly well embraced by all and we look forward to next year's promotion with eagerness - can it be more delicious? Our next move is to source environmentally sustainable foods to be green, so please keep an eye out for these new foods and dishes, which are going to be really exciting. We also presented a few organic and bio dynamic wines at our monthly wine booths, and in the wine cellar you can choose from a unique selection for enjoyment at home or at the Club. Keep looking for unique services offering the best of life in Hong Kong - with those personalised touches you expect from your Club.
